### REQUEST FOR EXTENSION OF MONITORING REPORT SUBMITTAL

The Central Valley Regional Water Quality Control Board is in receipt of your letter dated 18 December 2007 requesting an extension of the 31 December 2007 deadline for submittal of the Semi-Annual Monitoring Reports (SAMR, per Order R5-2005-0833). The request was made for the three Coalitions – Sacramento Valley, East San Joaquin, and San Joaquin & Delta Water Quality Coalitions, and is in part due to the necessity for additional time to review the Tentative Monitoring and Reporting Program (Tentative MRP). Comments to the Tentative MRP are due on 28 December 2007, which does overlap with timing for the SAMR preparation and submittal.

For this reason, I am granting the Coalitions' request to extend the deadline and submit the SAMR for each Coalition by **15 January 2008**. If you have any questions, please contact Margie Read at (916) 464-4624, or by e-mail at [mread@waterboards.ca.gov](mailto:mread@waterboards.ca.gov).
